

Public Statement of Non-Participation in Lobbying

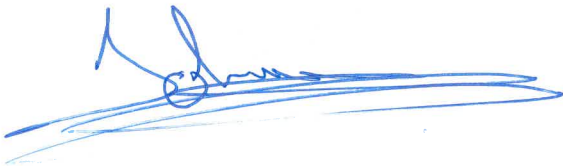

Naturalpes Holding SA publicly declares that the company does **not engage in any lobbying activities** or direct influence on government officials or legislators, whether directly or through third parties (consultants, firms, or industry associations).

Our company chooses to focus its resources on its operational activities, its social and environmental impact, and its dialogue with stakeholders, rather than on political pressure.

We commit to maintaining this position for as long as no significant lobbying activity becomes necessary to fulfil our impact mission. Should such activity ever be undertaken, it would be subject to transparent public disclosure.
